Service Terms – Task Manager

These service terms (the "**Service Terms**") govern the purchase and use of Task Manager and has been entered into by and between Volvo CE ("**Volvo CE**", "**we**", "**us**", "**our**") and you, the legal entity, that has purchased the Service (the "**Customer**" or "**you**").

Service description
Task Manager is a tool that provides real-time visibility of worksite activities supported through a web and mobile application. It supports the reporting of work order progress reports and load receipts to enable production managers and foremen to monitor the progress of construction project targets and to proactively identify delays or deviations.

Price and payment	Termination
Your Service Fee is specified in your Marketplace order confirmation. In addition, the following shall apply: • Monthly invoice billing • Payment term: thirty (30) days The Service Fee is calculated on the applicable Service Fee model displayed in the Marketplace at the time of your order.	Both you and Volvo CE may terminate these Service Terms by giving the other no less than thirty (30) days' notice to that effect. Additional grounds for termination are specified in the General Terms and Conditions.

Service requirements
Automatic creation and receipt of load receipts for machines require Volvo Load/Dig Assist On-board weighing (OBW).

General Terms and Conditions
[General Terms and Conditions for Digital Services](#) apply to these Service Terms. All capitalized terms used but not defined in these Service Terms, are defined in the General Terms and Conditions.
